#### **4.- PERSONAL DATA PRIVACY POLICY**

In the event personal your data is included in the “CONTACT FORM” provided in ASMITEC’s website, and in order to comply with the principles of transparency and information foreseen in the European Data Protection Norms, we hereby inform you of the warranties offered by ASMITEC regarding the processing of personal data. In line with this, the corresponding data processing registry on the data obtained in this portal has been prepared and is kept up to date by ourselves, its purpose being that of responding to the questions we are asked and/or to occasionally provide information about our products. Interested parties may exercise their rights of access, rectification, cancellation, limitation, opposition, transfer or deletion in regard to the data. These rights must be exercised by the user by means of a request sent to the following email address: [asmitec@asmitec.com](mailto:asmitec@asmitec.com) The request must include the following: full name, ID Document or Passport number and a description of the right exercised, and ASMITEC commits to responding to the exercising of the right within the legally-established deadline. ASMITEC will take any and all necessary measures to avoid the unauthorised alteration, loss, processing or access of the databases containing data provided by the users, and further commits to notifying of any breach affecting the processing within the established deadline. The data obtained in this portal will not be transferred to third-party companies. In the event the company appoints a Data Protection Officer, this will be announced in this privacy notice, and furthermore, ASMITEC reserves the right to future modifications of this privacy policy. Should you wish to receive more information, please do not hesitate to contact us by email at [asmitec@asmitec.com](mailto:asmitec@asmitec.com), and we will expand on any information as appropriate.

#### **5.- LIMITATION OF RESPONSIBILITY**

The use of this website is carried out at the user’s own responsibility. ASMITEC will not be held responsible for a poor use of the website by the users.

Furthermore, ASMITEC will not be held accountable for any errors or omissions this website might contain, and nor will it be responsible for any damages derived from the use of the website or any actions taken based on the information that appears in it.

ASMITEC cannot guarantee the absence of viruses or other harmful elements that might bring about damages or technical alterations to the user's systems, electronic documents or files. As a consequence, ASMITEC is to be held harmless of any damages the aforementioned elements may cause to the user or third parties.

#### **6.- DISPUTE RESOLUTION**

Any contentious issues, or in general any controversy that may arise in relation to the use of this website may be resolved in compliance with Spanish legislation by the Courts and Tribunals of Barcelona, to which the parties subject themselves expressly, renouncing any other forum that might be applicable in the event the issue is not resolved by mutual agreement.
