

ASMITEC S.L. PRIVACY NOTICE

Visiting this portal does not entail that the user is obliged to facilitate any personal information. In cases where the user does provide personal information, the data gathered in this web portal will be used as foreseen in the **Council of the European Union Parliament General Data Protection Regulation (GDPR) (EU) 2016/679 of April 27, 2016**. Any data provided by the users will be incorporated into the personal data files for which ASMITEC S.L. is responsible and stored at the company's facilities/offices, and all necessary technical measures have been taken for the correct processing of personal data.

Users providing personal data express and unequivocally consent to the incorporation of their data to files processed electronically by ASMITEC S.L. for the purposes of sending information relating to products commercialised by ASMITEC S.L., and the data will be stored for the legally-established times. The data gathered will not be subject to transfer unless consent is secured beforehand from the interested party.

Users may revoke consent at any time without retroactive effect. In addition, they may exercise their right of access, rectification, suppression, cancellation, portability and opposition of their data free of charge by writing to asmitec@asmitec.com

ASMITEC S.L. hereby commits to informing the owners of the data processed of the name and contact details of the Data Protection Officer in the event an appointment for this post were to be made at a later date. ASMITEC S.L. reserves the right to modify this privacy policy.
